

THE TRUE STORY ABOUT CHRISTMAS

The Christmas festival is the most ungodly custom and tradition of man that has corrupted the church in the history of the world. It is the mass of Christ. It comes from an old English word Christes Maesse. When Constantine incorporated the Eastern and Western Empire into one universal (catholic) church he invited all religions and pagan practices into the "church." All the Saturnalia (city of Saturn worship) was incorporated into the Romanist church. Saturnalia was a celebration of the rebirth of the "unconquered sun" each year at the winter solstice. The heathens hung the green "magical" wreathes around their houses and temples. It was nothing less than Sun god (Baal) and moon goddess worship (the groves-Venus) that Nimrod and his evil mother (Semiramis) began at Babel. It is the very wickedness for which God scattered the children of Israel over the face of the earth. It is the purpose for the seventy weeks of Daniel that God determined upon Israel for their wicked apostasy. They did not keep their sabbaths and they were immersed in Sun god and moon goddess worship (the Baal and the groves). This was implemented into Israel when Jezebel married Ahab in Northern Israel (1 Kings 16). Immediately thereafter in 1 Kings 17 God pronounced his judgement of no rain in Israel for 3 1/2 years. God had said repeatedly to the prophets that if Israel did not obey the statues and commandments of the Lord (Deut 28-Lev 26) that he would bring sword, famine, and pestilence upon them. His anger was greatly kindled against Ahab because he considered it not only a light thing to walk in the sins of Jerebuam (the Golden Calf) but to now take on this wickedness began at Babylon by Nimrod. This was the original Apostasy. (the calf worship actually derived from the Baal Sun worship of Babylon).

John said in Rev. 17:5 that this mystery religion that corrupted all the Mediterranean region was the Mother of all idolatry (harlots). Babylon mothered it all when they said let us build us a city and a tower (new civil authority or boundary line-a kingdom-a language) and let us make us a name. The word name is "Shem" meaning authority. Shem was the prophet of God. I believe he held the office of Melchizedek when Noah conferred it on him saying, "Bless be the Lord God of Shem." Japheth and Canaan dwelt in the tents of Shem as he was the prophet and priest of God. Nimrod said let us make us a Shem or prophet. We'll make our own law and authority. That is what has corrupted the world. It was a "filth" in Israel. When man resets the boundary and makes himself a new commandment he merely worships himself and his own traditions. This is pleasing to the flesh. Israel actually kept Christmas in Israel 900 years before Jesus was born.

The Christ Mass festival is pleasing, deceptive, and seductive. It aligns all denominations admiring (not adoring since adore means to worship) a babe in a manger with his halo (sun god) behind his head. This "halo" was one of the compromises of Constantine. He put the rays of light behind the heads of the saints in order to conciliate the heathen in getting them to accept the Christian Saints. St. Francis of Assissi "christianized" this heathen festival by implementing the nativity and its corruption from the Madonna and child, which was worshipped as the mother with the babe in arms in the pagan world. The "mother" was placed in the Nativity with her halo along with this uncrucified, unresurrected "Eternal boy" saviour as he was worshipped in pagan Rome. This Mary of the Nativity shared in the glory of this "boy" saviour. The Lord God of the

Old Testament said that he would not give his glory to another (Isaiah 42:8). He will not share it even with his earthly mother. If St. Francis had not been such an inaccurate theologian it may have been easier to cause Christians to see this error. The wise men did not gather at the manger with "birthday gifts" they came to the house where he was a young child of approximately two years old. (Matt. 2:11) They came to worship him as the pure acceptable sacrifice of God. The gold they brought was a picture of the pureness of the living God. Acceptable sacrifice in the Temple (Tabernacle) was offered with Frankincense and the myrrh was to anoint the dead body. Jesus was approximately two years old. Herod slew all the children in Bethlehem, and in all the coasts thereof, from two years old and under, according to the time which he had diligently enquired of the wise men. The Magi did not come to give each other birthday presents and have a big feast and party. St. Francis truly did his evil deed by incorporating this "religious-looking" scene into the Romanist church. This Madonna and child was nothing but Semiramis and Nimrod IE Venus and cupid, Rhen and Tammuz, Aphrodite and Hercules etc. In the Pagan world when the son was deified in the stars as adonis, the Lord, the adoration was shifted to the mother as the ruler. As the Ashtoroth in Israel, she was condemned as the "queen of heaven" by Jeremiah when Israel poured out drink offerings to her (Jer 44:17-25) and burned incense to this grove goddess. Who does not know that this "queen of heaven" is adored and worshipped as the mother of God in the Romanist Church. Evangelical and fundamental religious leaders say that we will not accept Christ on the crucifix with no gospel of resurrection, but we will accept him as the "eternal boy" in the manger. We will align with all denominations to admire him in the manger yet few of us getting to the gospel of his resurrection. (I Cor 15:1-4; Romans 1:16) It is no wonder that the celebration of his birth was not until the fourth century when Constantine started it in Romanism. The first year that it was placed on the calendar was in 354 A.D., the period of the implementation of pagan practices into the Romanist church. The puritans and reformers in England and early American passed laws against its celebration as being a papal pagan unholy day. Criminal penalties were exacted for its participation in the colonies. Even caroling in Puritan England could result in Fines and or imprisonment. The reformers knew that it was a direct result of Druidic fire worship. The suns representative was in the form of a flame and the moon goddess was represented as a tree. The tree goddess of Jer 10 is certainly the same tree brought into Romanism by The pagan Emperors. It was the counter part of Baal in Israel. Eth baal the father of Jezebel was a priest of the Astarte (Ishtar, Easter- Female tree goddess) of Babylon according to the
Cyclopedia of Biblical Theological and Eccliaistical Literature.

This system by which he corrupted Israel was moved from Babylon to Pergamos (Rev. 2:13) according to Alexander Hislops "Two Babylons." When Attalus III died he left all of his kingdom to the Roman Empire. The "Seat of Satan" moved to Rome with all its sorcery and was incorporated by Mr. Constantine into the so called "Christian church."

The first of these grove goddess trees (Christmass trees) was brought to America around the turn of the 19th century. Christmass did not become a national holiday in America until 1856. The lights and candles are nothing more than the candles and tapers that were lit up to the sun god as the "eternal flame" in the temple of Vesta at Rome.

Praying to the dead saints including St. Nicholas is the forbidden sin of Necromancy (talking to the dead-seances) (Deut 18:10,11) St. Nicholas the latin pronunciation is Santa Clause) was said by the Romanist in myth and legend to possess the ability to raise from the dead and to cause men to repent and change their mind. He was said to calm the sea on a sea voyage. He was believed to answer the prayers of the saints. He was omnipotent in that he had all power, he knew all things and in that he could be any where at any given time. that's why:

He knows when you are sleeping

He knows when your awake

He knows when you've been bad or good

He knew good children from bad yet the scriptures say all have sinned--there is none righteous. He was said to be the patron saint of children and rewarded the good ones and punished the bad ones Jesus is our resurrection and life not santa clause only God can grant repentance (II Tim.2:25) (not a romanist bishop) Only Jesus calms the sea when he says "Peace, be still." The great puritan preachers of the 17th century would be appalled and horrified to see how this papal Apostasy has corrupted the church of our Lord.

December 25 in antiquity was the birth day of the Herculean sun-god Adonis to the very day. He was the counterfeit of our Lord, Adonai. As the sun came to the coldest part of winter his adherents would have a festival celebrating a new year as a promise to them of fertility that would bring them new crops in the spring. They had an extended festival starting about Dec 17th where they engaged in orgies, gift giving, and parties with excessive drinking and debauchery. They celebrated by lighting up bonfires and yule logs to aid the sun at its coldest point of the winter. They celebrated through their "New Year" of plenty and fertility with drunkenness, gluttony, and ribald sexual promiscuity.

Christmas was given its name by Pope Julius I. The mass is the unbloody sacrifice of the Eucharist. The wafer is exactly round to depict the sun as it did in ancient paganism. The Christmas begins at midnight on Dec. 24 (called mother night in pagan antiquity) and is called the midnight mass where the wafer undergoes transubstantiation or the changing of the bread into the literal body of the Christ. This is a corruption of Jesus words when he spoke of eating his flesh and drinking his blood. The disciples said how can we accept these words. Jesus said:

MATTHEW 6:63

It is the spirit that quickeneth: The flesh profiteth nothing: The words that I speak unto you they are spirit and they are life.

He was saying I speak spiritually not literally.

The priests of Baal did this very thing that the Pontiff sets as an example. To eat human flesh is cannibalism. The priests of Baal followed the example of the sons of Aaron, the priests of the most high God. The sun god priests ate from their alters in the same manner as the priests of God in the temple (Numbers 18:8-11). The difference is that the priests of Baal offered human flesh upon their alters. The word priest in Hebrew is Kahan. They were Kahan (priests) of Baal or Cahna baals or cannibals (flesh eaters).

Jesus says, "Get away from my table if you are going to eat (partake) of these devils doctrines.

Will these traditions hurt the believers life?

COLOSSIANS 2:8

Beware lest any man spoil (seduce) you through philosophy (philos-love; sophia-wisdom, love of their own wisdom) and vain deceit after the traditions of men after the rudiments (mans arrangement) of this world and not after Christ.

Concerning the sun god Moloch and his customs the writer of the law tells us:

LEVITICUS 18:30

Therefore shall ye keep mine ordinance, that ye commit not any one of these abominable customs, which were committed before you, and that ye defile not your selves therein: I am the Lord your God.

The word abominable means a stinking unacceptable sacrifice. God says, "I am your God. If you do these stinking customs (traditions) you defile yourselves and become unclean." In the law, the prophets had already been told not to worship their gods. Moses was emphasizing for Gods people not to keep the heathen customs or traditions.

JAMES 1:27

Pure (clean) religion (Greek-Threskeia-ritual or ceremony) and undefiled (without sin) before God and the Father is this, to visit the fatherless and widows in their affliction and to keep himself unspoiled (without sinful ritual) from the world (traditions).

There is only one pure sinless ritual (religion). It is not putting up a Venus tree in your living room and participating in giving of yourself. The only pure religion is always in giving to others not self.

II CORINTHIANS 6:17

Come out from among them and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you.

The only acceptable sacrifice (Rom. 12:1) before God is a daily clean unpolluted sacrifice of self. God will only receive us when we repent and cease from sin.

Jesus said, "to be wise as serpents and harmless as doves".

The word harmless means "unmixed." What is pure is unmixed. We are not to mix the truth of God with the traditions of men.

Jesus said in Matt. 24:38 that one of the signs of the end of time will be "giving in marriage". This means to intermarry two different things. Truth and untruth will be marrying at the time of the end. There will be a "mixed-religion."

Christmas is certainly a mixed religion that takes some truth and some lie. It is called the apostasy or the falling away from truth. (II Thess. 2:3), I Tim. 4:1)

Jeremiah says concerning the customs of the heathen:

JEREMIAH 10:2,3

(2) Thus saith the Lord, learn not the way of the heathen----don't do what they do---

(3) For the customs of the people are vain; for one cutteth a tree out of the forrest, the work of the hands of the workman, with the axe. They deck it with silver and with gold; they fasten it with nails and with hammers, that it move not.

They are upright as the palm tree, but speak not: they must needs be borne, because they cannot go. Be not afraid of them; for they cannot do evil, neither also is it in them to do good.

This Christmas tree - grove goddess of Babylon cannot move or speak. When a man makes his own idol he puts his words in the mouth of his god and in actuality he worships himself.

Paul said that a covetous man is an idolater and that covetousness is idolatry. (Eph. 5:5, Col 3:5)

There are only two gods in the universe, the true living God (magistrate-ruler) and the god of self when a man sets up his own law and says I will worship God by my own rules and law. God says in reply to his children when they become involved in this self worship, get away from my table, I will not have fellowship with you till you clean up your life and cease from your own wisdom.

God is going to call his people out of this Babylonian harlot (Rev. 18:4)

Jesus is truly born of a virgin and He is God in the flesh. We are not called to a season of worship with him. We are to be "instant in season and out of season." (II Tim. 4:2) When it is not convenient and the world is not speaking of Christ we are told to preach the word. We seldom mention his virgin birth until the Saturnalia and its festival as we align with the unbelieving world at the birthday of Adonis, attempting to give homage to the god of the universe with evil traditions.

We should celebrate his virgin birth, death, burial, and resurrection every day. We should do it by keeping his commandments daily and do the things that are pleasing to him continually (I John 3:22) We cannot separate his birth from his death. We are certainly commanded never to pollute worship of our Lord and Christ with mans traditions.

Some will say, didn't Paul say in Romans 14 that everyman should be persuaded in his own mind which day he should worship the Lord? It certainly does. However, it is speaking about which day of the week or month we assemble to worship the Lord. He is not speaking whether we should use the evil ways of men in opposition to the good ways of God to worship Christ. Paul is not giving us a choice between good and evil. Paul is merely speaking of which day. He is not giving us a choice of good or evil methods with which to worship Christ.

I realize that Christmas is the most difficult of traditions to give up. It really does no good for a man to give it up if he is simply wanting to please men. Men should give up all uncleanness to please God. When a man begins to repent of self he will be looking into his life daily saying, search me oh God, know my heart. Try me and if there is any wicked way in me Lord, cleanse me and make me holy. Holy is a word in the Greek, *hagios*. It means to be one or single in substance. That substance is according to the word of God and not the opinions of man. Holy is to be "unmixed" or "unspoiled" from the world and its traditions.

The "enchanting" good feeling "easy-gospel" of Christmas is impossible for man to see in all its evil unless God convicts his heart. Men continue in their sin flirting with the scourge and chastisement of God. (Heb. 12)

Jesus said in Luke 14:26

"If any man come to me and hate not his father and mother and wife and children and brethren, and sisters, yea and his own life also he cannot be my disciple".

We are to hate sin. Our mother, father, brothers, and sisters are sin. If we love anything at all in them it will only be Christ in them. What Jesus is saying is that we must hate all that they are and teach that is not Christ within them, otherwise we cannot be his disciple.

The word disciple is the Greek word mathetes meaning a learner or scholar. It is where we get our word mathematics. If you are going to learn math you must go by the rules in the math book. Opinions and traditions are of no consequence. If you are to learn trigonometry you must learn and apply the pythagorean theorem. One must apply all the axioms and postulates to learn higher math.

If we are to be a doer of the word of God we must learn the rules of the instruction book that God has given us, that means hating the opinions of my father, mother, sister, brother, friends, and all my associates. I must only accept the exactness of Gods word to be a disciple (learner). Opinions and traditions are of no spiritual value whatsoever.

Christian believers will not give up unholy traditions because they are proud of "their heritage." Their father and mother are sweet gentle Christians and they believe these traditions. Their pastor is a good guy and he has a great personality and disposition and he "thinks" these things are all right.

This ancient fire god was called Bol Kahn or Baal Kahn. He was called Vulcan (Baal Kahan) the husband of the goddess of heaven. As the fire god Nimrod was called Bol Kahn (Baal priest) or Vulcan. He truly had made himself a name (prophet & law). He was truly the king or mighty one before all the earth. He was the mighty hunter of men.

Christmas is cannibalism as the pontiff of Rome offers up at the mass, the wafer as the incarnate Saviour in the Messiah Mass from ancient Babylon. The literal flesh was said to be present as the host came down from heaven in the liturgy of the mass.

Alexander Hislop, one of the foremost authorities on the pagan worship, tells us that "in order to conciliate the heathen and to swell the number of the nominal adherents of Christianity, the same festival was adopted by the Roman Church, giving it only the name of Christ. This tendency on the part of Christians to meet paganism half way was very early developed". He says, "That Christmas was originally a pagan festival is beyond all doubt. Christmas is purely Babylonian."

Christmas and it's traditions are not Christian. They do not and never have had anything to do with Jesus our Lord. Jesus is not the son of sun god. He is the living God in the flesh, virgin born of Mary who said that she was a sinner and in need of this saviour she had borne (Luke 1:46,47).

It is a perverted gospel to celebrate anything concerning our Lord with mans traditions.

Some will say, "I don't worship the tree (moon god) or a sun god.

Paul said in Romans 6:16

Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey.

If we seek the traditions of men we yield to them. We worship (seek after) mans traditions.

Jesus said this is vain worship.

MATTHEW 15:9

"In vain they do worship me, teaching for doctrines (instruction) the commandments of men.

Some will say, "can't we just innocently do these customs in memory of Jesus? Can't we have a little of both?"

I CORINTHIANS 10:21

Ye cannot drink the cup of the Lord and the cup of devils: Ye cannot be partakers of the Lords table and the table of devils.

God says give them up, hate every thing that is not of my words. Jesus says, If you don't hate all and "follow me" you are not worthy of me. We take our cross and follow Christ that we may "die daily" (I Cor. 15:31) with him. (Gal. 2:20) We must crucify our own desires and live according to his word. Our calling is to be holy and without blame (Eph. 1:4) He has elected us to obedience (I Peter 1:2). To obey him we must be learners (disciples) of his word (instructions).

America has corrupted herself by partaking of the lusts of the flesh daily. We involve ourselves in a daily mass. The god we serve is self and the flesh we consume (mass) is our own. (James 4:2,3 - Eccl. 4:5)

ECCLESIASTES 4:5

The fool foldeth his hands together, and eateth his own flesh.

If the true Christian believer can see this truth about Christmas, then the Holy Spirit will begin to convict hearts to give up the lusts of the flesh throughout the year.

Our god is us unless we serve the living God in all truth.
